Subject: 1095-B Business Owner Brief (notes and deliverables) part 1 or 2

Good morning, Tarsha and Joshua!

I hope you had a great weekend. Here are the follow up notes and deliverables as indicated during the meeting. I will try to send video separately or through MSTeams.

Meeting Notes: **1095-B Business Owner Brief 7.29.22**

Present: Tarsha Tremble, Joshua Faulkner, Tracey Mulrooney, and 1095-B team

What I heard:

MVP Blockers: none

Post MVP Opt-in Blockers:

- Business Request in Jira
- Prioritization / scoping of HEC work for Joshua
- Alignment of work with VA Profile team

Agreement:

Tarsha: Spanish translation of documents will not be a blocker for MVP launch but will be required as soon as available.

Tarsha: Tarsha will work with Simone @ HEC to draft business requirements in Jira for opt-in build collaboration with VA Profile team (Mike Richards Michael.Richard2@va.gov and Berry Wilbanks bwilbanks@meetveracity.com). Effort will be made to get prioritized for Dec release plan but most-likely will be Mar 2023 release plan. March release plan prioritization is done in September 2022.

Joshua: Joshua will work with VA Profile team engineers in building opt-in

1095-B Team: Will submit legal review package of all Veteran content for opt-in once [VA.gov](https://va.gov) profile team develops their design / content strategy.

1095-B Team: Will parse out the opt-in field from the file

Deliverables:

1095-B team will provide these to Tarsha and Joshua via email and linkages where appropriate:

- Business Owner Brief 7.29.2022 Power Point
- MVP designs
- MVP Product video demonstration with explanation

- Post MVP engineering product specification
- Post MVP Opt-in designs
