

| Hypothesis | Cohort | # Participants | Primary Criteria | Secondary Criteria * | | | | |
|------------|--------|----------------|---|----------------------|---|---|----------------------------------|--|
| | | | | Gender = female | Ethnicity = minority (non-caucasian only) | Education level = high school diploma, equivalent or less | Other = Identifies as LGBTQIA2S+ | Disability = cognitive disorder (TBI, parkinsons, brain disorders / surgery, long term side effect of chemotherapy, psychotropic medications or other medication affecting speed or clarity in which Veteran is able to process and / or respond to information) |
| H0 | A | 9 Veterans | All must be enrolled in VA healthcare and have used MyHealtheVet tool in the last 12 months to manage their health care online | 9 | 3 | 1 | 1-2 | 1-2 |
| H0 | B | 9 Veterans | All must be enrolled in VA healthcare and have used MyHealtheVet tool in the last 12 months to manage their health care online | 0 | 3 | 1 | 1-2 | 1-2 |
| H0 | C | 9 Veterans | All must be enrolled in VA healthcare but either do not manage their VA care online or have not used the MyHealtheVet tool in over a year | 3 | 3 | 1 | 1-2 | 1-2 |
| H0 | D | 9 Veterans | All must NOT be enrolled in VA healthcare but ARE receiving at least one VA benefit (example: education, disability compensation, disability pension) | 3 | 5 | 1 | 1-2 | 1-2 |
| H0 | E | 9 Veterans | All must NOT be enrolled in VA healthcare and are NOT enrolled / receiving any other VA benefit(s) | 3 | 9 | 1 | 1-2 | 1-2 |
| H0 | F | 9 Veterans | All must NOT be enrolled in VA healthcare and are NOT enrolled / receiving any other VA benefit(s) | 3 | 0 | 1 | 1-2 | 1-2 |
| H0 | G | 9 Caregivers | Family member of a Veteran or Veteran's family caregiver who helps manage the Veteran's VA health care | 3 | 5 | 4 | ≥0 | ≥0 |
| H1 | H | 9 Veterans | All must be enrolled in VA healthcare and have used MyHealtheVet tool in the last 12 months to manage their health care online | 9 | 3 | 1 | 1-2 | 1-2 |
| H1 | I | 9 Veterans | All must be enrolled in VA healthcare and have used MyHealtheVet tool in the last 12 months to manage their health care online | 0 | 3 | 1 | 1-2 | 1-2 |
| H1 | J | 9 Veterans | All must be enrolled in VA healthcare but either do not manage their VA care online or have not used the MyHealtheVet tool in over a year | 3 | 3 | 1 | 1-2 | 1-2 |
| H1 | K | 9 Veterans | All must NOT be enrolled in VA healthcare but ARE receiving at least one VA benefit (example: education, disability compensation, disability pension) | 3 | 5 | 1 | 1-2 | 1-2 |
| H1 | L | 9 Veterans | All must NOT be enrolled in VA healthcare and are NOT enrolled / receiving any other VA benefit(s) | 3 | 9 | 1 | 1-2 | 1-2 |
| H1 | M | 9 Veterans | All must NOT be enrolled in VA healthcare and are NOT enrolled / receiving any other VA benefit(s) | 3 | 0 | 1 | 1-2 | 1-2 |
| H1 | N | 9 Caregivers | Family member of a Veteran or Veteran's family caregiver who helps manage the Veteran's VA health care | 3 | 5 | 4 | ≥0 | ≥0 |
| Total | | 126 | | 48 | 56 | 20 | 12-24 | 12-24 |

* Veteran's may fit several secondary criteria but cohorts should represent at least all secondary criteria by number
