Additional Information about Secure Messaging 🔨

Secure Messaging allows you to communicate online with your VA health care teams and other VHA programs and departments. Use Secure Messaging to ask non-urgent (non-emergency) health related questions, update your VA health care team on your health condition, request to schedule, cancel, or change your VA appointment, and to request VA referrals and medication renewals.

The following VHA programs and departments are using Secure Messaging: Primary Care, Specialty Medicine, Rehabilitative Medicine, Prosthetics Services, Surgical Care, Mental Health, Dentistry, and some non-clinical programs and departments.
