# Download your 1095-B tax document (proof of health coverage)

The 1095-B is a tax document that the IRS requires health insurance companies to provide. It shows proof that you had health coverage through the VA for the tax year and that your coverage met the minimum standards outlined by the Affordable Care Act.

Due to changes in the law, most Veterans will no longer need this document to file their federal taxes. However, certain states may still require you to provide proof of coverage for your state tax filings.

# What do I need to do with my 1095-B?

For most people, nothing. Print your 1095-B and keep it with your other important tax information. While the 1095-B is no longer required to file your federal taxes, Veterans who live in certain states\* may still be required to provide proof of insurance/health coverage or be penalized if they do not have the minimum coverage when they file their state taxes.

\*States requiring proof of insurance as of January 2022: Massachusetts, New Jersey, Vermont, California, Rhode Island and District of Columbia (Washington D.C.)

# What if my address or other information is incorrect on my 1095-B?

Call the enrollment center toll-free at **1-877-222-VETS (8387)** Monday through Friday, 8:00 am until 8:00 pm (EST). A representative will be happy to update your address in the system so that you can have a corrected version mailed to you or print it yourself.
